

## Elementary Arithmetic, Vol. 3 (Classic Reprint)

Filesize: 2 MB

### ***Reviews***

*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
(Fernando Hahn)

## ELEMENTARY ARITHMETIC, VOL. 3 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Elementary Arithmetic, Vol. 3 This Elementary Arithmetic, the outcome of many years of observation and actual teaching experience, is based on the idea that number is essentially abstract, and that the prime object in the first years of school is to teach number as number. To secure accuracy and facility, a large amount of drill work in the fundamental processes is provided, and is so arranged as to furnish thorough and frequent review of all subjects previously studied. The application of number to the affairs of everyday life has not been neglected. An abundance of oral and written problems within the limits of the comprehension of pupils furnishes material for concrete work. Technical explanations of processes, necessarily con fusing to immature minds, are purposely omitted. A minimum of theory and a maximum of practice are generally conceded to be the wisest method of teaching the principles of arithmetic to young pupils. Experience proves that an elementary arithmetic should be simple, progressive, and teachable, and in a direct and practical way aim to develop arithmetical power. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
