My experience in working with him at my offices in New York has been beneficial to myself as well as my clients. Nicc shares with us his experience, creativity and brilliance in his newest book, Hypnotherapy for Teens. I have found adults greatly benefit from my use of the scripts from his books that are wonderful with children and teens. As a seasoned professional I have added fun and success to my private practice in two locations drawing on a wealth of information from both books. Joseph Peters, LCSW-R, CHT Licensed Clinical Social Worker Certified Hypnotherapist Newark, NY Penn Yan, NY What a great teacher and mentor I have found in Niccolous Thompson, DCH. His first book, Hypnotherapy for Children, was something that was needed in the community of parenting, hypnosis, psychiatry, nursing and more. I just wish that these books had come out when I was growing up so I could have read them for myself way back then. I have sat in with Dr. Thompson with some of his clients and he is always professional, keeps the client first and everything confidential. His book gives an easy understanding of what teens might be going through for both the parent and the teen. Anyone I do believe can enjoy this book, plus get great benefits from it. Thanks, Niccolous, for another great book. Gloria Berry RN, CHT, CMHT This item ships from multiple locations. Your book may arrive from Roseburg,OR,...
