Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Church and the Stage So much has already been written on the relations of the Church and the Stage that, in venturing to add another word to the literature of the controversy, I may be accused of telling a thrice-told tale. My excuse for writing these pages - if excuse be needed - must be my belief that the method here pursued presents the subject from a somewhat new point of view. The study of the past always throws light upon the problems of the present; and, therefore, while the most prominent thinkers in religion and philosophy, in politics and science, are busy revising the labours of past ages, recalling old judgments and passing fresh condemnations, it may be neither uninteresting nor unprofitable for us to re-read the history of the long conflict between the Church and the Stage. The atmosphere of the time has long been charged with this controversy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
