

Securities Operations: A Guide to Trade and Position Management (Hardback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

John Wiley and Sons Ltd, United Kingdom, 2002. Hardback. Book Condition: New. 249 x 180 mm. Language: English . Brand New Book. The only comprehensive account of operational risk in securities settlements Securities Operations focuses on the settlement aspects of a securities transaction. As financial analysts make a greater effort toward quantifying and managing operational risk, they are paying more attention to securities transactions in general and to the settlement phase in particular. While describing the practical issues, this book enumerates the different back office related risks potentially encountered throughout the settlement. Simmons also covers more advanced topics such as derivatives, trade compensation, internal allocation of funding costs, and operational performance measurement. Michael Simmons (London, UK) is currently Head of Business Consultancy at Wilco International, a major software systems provider to the financial markets. Over the years, financial professionals around the world have looked to the Wiley Finance series and its wide array of bestselling books for the knowledge, insights, and techniques that are essential to success in financial markets. As the pace of change in financial markets and instruments quickens, Wiley Finance continues to respond. With critically acclaimed books by leading thinkers on value investing, risk management, asset allocation, and many other critical subjects, the Wiley Finance series provides the financial community with information they want. Written to provide professionals and individuals with the most current thinking from the best minds in the industry, it is no wonder that the Wiley Finance series is the first and last stop for financial professionals looking to increase their financial expertise.
