Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

Ace/BOMC. 1 Cloth(s), 2006. hard. Book Condition: New. In her sixth wild ride through Louisiana's supernatural demimonde published shortly before Charlaine Harris's Anthony Award-winning series was adapted for HBO as *True Blood*, Sookie Stackhouse has learned that she's lost one of her few living relatives. This is even more surprising since, technically, her cousin Hadley was already dead, having been the consort of the Vampire Queen of Louisiana. But when Sookie goes to Hadley's apartment to clean out her belongings, she and her cousin's witch landlady Amelia Broadway are attacked by a newly turned vampire. Just what is it that Sookie isn't supposed to find? In bestseller Harris's perky sixth Southern Vampire novel to star Sookie Stackhouse (after 2005's *Dead as a Doornail*), the telepathic waitress of Bon Temps, Louisiana, is off to (pre-hurricane) New Orleans to close out her dead cousin Hadley's apartment. Harris keeps the action going nonstop in this bubbly brew of supernatural spice and whimsical whodunit that's more fun than a barrel of beignets. "Publishers Weekly" Sookie Stackhouse once tried to keep her mind-reading capabilities secret, but the word is definitely out. There's a new man, were-tiger Quinn, in the picture, too, but on their first date, two were-people attack them. Sookie isn't sure whether she or Quinn was the target but is soon distracted by a more pressing problem. Cousin Hadley, a vampire, has been murdered, and Sookie has inherited her apartment, meaning she has to go to New Orleans to uncover the mysterious circumstances surrounding the death and meet with Hadley's lover, the Vampire Queen herself. This is a gratifying read for Sookie's fans because of a major surprise for Sookie about one of her old lovers." Booklist 324.
