Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

UTILIZAÇÃO DE DADOS EM SAÚDE COMO FERRAMENTA DE GERÊNCIA

Novas Edições Acadêmicas Mrz 2015, 2015. Taschenbuch. Book Condition: Neu. 220x150x3 mm. This item is printed on demand - Print on Demand Neuware - Estudo realizado como dissertação em Saúde da Família, descreve a forma de utilização dos dados disponíveis no SIAB como ferramenta de gerenciamento local. Procurou explicitar se as bases de dados populacionais geradas no município são utilizadas de forma regular e quais os instrumentos de avaliação. Optou-se por uma abordagem qualitativa tendo como delineamento o estudo de caso. Os dados foram obtidos através de levantamentos documentais e de entrevistas com aplicação de roteiro semiestruturado com os profissionais da equipe e coordenador municipal de Programas e Projetos. A pesquisa encontrou a equipe utilizando em sua rotina os dados do SIAB para acompanhamento das situações de saúde da população cadastrada, sem, entretanto, ênfase ou preocupação na análise crítica desses dados, tanto para o planejamento das ações e monitoramento do impacto sobre a saúde da população como no aperfeiçoamento do processo de registro e consolidação dos dados e eventuais aprimoramentos no Sistema de Informação local. Quanto às dificuldades encontradas está a falta capacitação, desvalorização profissional, baixos salários e a dificuldade do contato com os especialistas para referência. 56 pp. Portugiesisch.
