Andrew Jackson; With Two Plates Origin of the name, Indian. The first interview between the Europeans and the Indians. The first hostilities. Spaniards licentious. Savages resist oppression. Battle. Effects. Indians taxed. Their plan to destroy the Spaniards. Cruelties in Mexico and Peru. Improvements of the natives. The name of Indian was given the original natives of America on account of the general expectation entertained by the first discoverers of the new world, that San Salvador, one of the Bahama islands, at which they first arrived, was connected with others in succession, affording a passage to India, with which country the Europeans had been long acquainted. It was not the idea of discovering a new continent so much as the hope of finding a passage to the riches of the East-Indies, much nearer and less hazardous...
