GRIN Verlag GmbH Mrz 2015, 2015. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2014 in the subject History Europe - Other Countries - Ages of World Wars, grade: 90.0, Georgetown University, language: English, abstract: In the period from the turn of the nineteenth century to the postbellum period following the First World War, history saw the rise of large, multiethnic, multiconfessionalist, colonial Empires. These empires were forced to face the challenges inherent in the administration of such states, however there was one among them that had notably different experience from the rest due to the sheer scope of religion's influence on and official standing in state matters. This state is the Ottoman Empire. One of the many aspects that makes the Ottoman Empire markedly different from the other empires of this period, besides, of course, the fact that its state religion was Sunni Islam, was the Ottoman Empire's approach to the so-called 'Jewish Question.' The 'Jewish Question' was the name given to the centuries old debate in those states in which Jews resided as to the appropriate status and treatment of that society's Jewish population. In this current age in which the Jewish people enjoy a greater amount of freedom and prosperity than any other time since Antiquity, it is perhaps easy for one not well versed in the history of the Jews to not realize that the current positive status that Jews enjoy in most of the world's societies is a relatively recent phenomenon and it is in the very period noted above, from the turn of the nineteenth century to after World War I, that this shift in how Jews were perceived and treated began. However, it is not the point of this...
