Alfred Music, United States, 2015. Paperback. Book Condition: New. Language: English . Brand New Book. The three pieces in Idaho Gems capture the spirit of this northwestern state. White Pine Waltz begins with a delicate melody in 3/4 meter inspired by the majestic western white pine, Idaho s state tree. The piece builds to a climactic middle section featuring flowing arpeggios in both hands before subsiding into a restatement of the theme. The second piece, Craters of the Moon, paints a picture of the volcanic landscapes found in the national preserve of the same name. A repetitive chromatic figure in the lower register is combined with dissonant intervals in the upper register to capture the eerie otherworldliness of the park s lava fields. In Snake River Rag, chromatic passages wind their way across the keyboard, inspired by the Snake River s twisted path through the Idaho countryside. Western Gem provides a dynamic conclusion to the suite. The piece makes full use of the keyboard with block chords and scalar passages in both hands, while a modulation in the middle section provides an additional musical challenge.
