There has been an intense and growing debate in recent years regarding dominionism and what it means for Christians involvement in business, politics, education, entertainment and other realms of societal influence. Now Dr. Peter Wagner brings Spirit-inspired clarity to the conversation with this essential guide for believers who want to impact our world for God s kingdom. This invaluable study examines powerful strategies God has revealed to His people in recent days and answers persistent questions with clear, biblical wisdom: Is wealth a legitimate tool of the church? How do today s workplace apostles lead in spiritual battle? Does God allow His people to make some decisions about the future? How is dominion theology operational in our world today? This groundbreaking study lays a biblical, theological and inspirational foundation for the mandate God has given His people.
