Theclassics.Us, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1880 edition. Excerpt: .purity of the family relation, and is the foundation of social and national welfare. It is supported by sound principles of physiology, by historical study of the rise and fall of nations, and by a consideration of the evils of our present age. The lessons of the past and present, our clearer knowledge of cause and effect, alike prove the wisdom of the highest religious teaching, viz., that the faithful union of strong and pure young manhood and womanhood is the only element out of which a strong and durable nation can grow. PART II. I Having ascertained the standard of morality which should be our guide in the education of youth, as shown by the laws of human physiology and social growth, another aspect of the question demands consideration. The present subject may be summed up in two great questions, viz.: First, is Virtue desirable? Secondly, is Virtue practicable? We have shown in the preceding investigation that the control of the sexual passion, and its guidance by Reason--which we name Virtue--is of fundamental importance; that it is essential to individual health, to the happiness of the family, to the purity of society, and the growth of a strong nation. Virtue, therefore, is desirable. It remains to consider whether it be practicable. This book is addressed to parents. Medical experience has shown me that the knowledge here offered is required by them. A clear practical view is needed, of the moral aim which they...
