Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Brand New Book ***** Print on Demand *****.Excerpt from An Old Kansas Indian Town on the Missouri Centuries ago mention was made by the French explorers of the large or main village of the Quans on the southwest bank of the Missouri river, about thirty leagues above the mouth of the Quans river. The Quans were the Kansa or Konza Indians from whom the state of Kansas derived its name. They were visited by De Bourgmont, in 1724, while on his famous expedition to the Padoucas. The exact location of this noted old village of Bourgmont s time, heretofore, has never been definitely determined, although the ruins of the old town on the Missouri were observed and mentioned by explorers and travelers for many years subsequent to the early French explorations. Professor Dunbar apparently, authentically, has designated Atchison, Kansas as the site of the old village, while Kansas historians generally evade the question by vaguely referring to the old Kaw village at or near the present site of Atchison, which is based merely on an approximation of the distance above the Kansas and Little Platte rivers, without taking into consideration the topographical and other features so essential in determining such matters. After carefully studying all available data bearing on the subject, including the chronicles of most of the early explorers who mention the old village, and thoroughly examining the whole region along the Missouri river north of the Kansas, I have concluded that the historic old town of Doniphan, five miles north of the city of Atchison, was the prehistoric capital of the Kaws. The historical, topographical and archaeological evidence adequately sustains such an opinion. Before going into details I will succinctly give a...
