Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have, therefore, tried to show from authentic sources, and from a practical knowledge of it, what the Faith of Islam really is, and how it influences men and nations in the present day. I think that recent Fatvas delivered by the Ulama in Constantinople show how firmly a Muslim State is bound in the fetters of an unchangeable Law, whilst the present practice of orthodox Muslims all the world over is a constant carrying out of the precepts given in the Quran and the Sunnat, and an illustration of the principles I have shown to belong to Islam. On this subject it is not too much to say that there is, except amongst Oriental scholars, much misconception. Again, much that is written on Islam is written either in ignorant prejudice, or from an ideal standpoint. To understand it aright, one should know its literature and live amongst its people. I have tried faithfully to prove every statement I have made; and if, now and again, I have quoted European authors, it is only by way of illustration. I rest my case entirely upon Musalman authorities themselves. Still more, I have ascertained from living witnesses that the principles I have tried to show as existing in Islam, are really at work now and are as potent as at any previous period.
