A COOK COOKS CHOOKS

Brolga Publishing Pty Ltd. Paperback. Book Condition: new. BRAND NEW, A Cook Cooks Chooks, Trevor Lovett, Noel Wilson, Brigid Noone, A Cook Cooks Chooks is a book that emphasises the capacity of children to accomplish anything to which they aspire. This book depicts numerous occupations that both girls and boys could choose to do. The book can be both read to young children or read independently by children. Above all, the text and illustrations convey the humour that the author intended for this children's book. A CD complements the book. Children can listen and sing-along to the words of the story. The illustrations are comical and the situations represented are those with which children will readily identify. The book could also be used as an excellent resource for second-language learners of English.
