This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Seamstress Wendy Weatherford is overjoyed when she is offered the chance to be a mail-order bride for one of the men of Paradise Ranch. When she arrives in Haskell, Wyoming, her intended groom takes one look at her and refuses to go through with the wedding. He wasn't expecting his bride to be a former slave. Abandoned at the altar and alone on the frontier, Wendy doesn't know where to turn. Until rescue comes in an unlikely form. Travis Montrose has plans to start a new job and eventually own his own ranch, not to marry his brother's rejected bride. But he can't stand by and watch the exotic and beautiful Wendy suffer, particularly not when she proves to be a woman of strength and substance. Their unconventional union stirs up trouble from the start, even as it stirs passions. When Wendy is given an opportunity to compete for the chance to own her own dress shop, Travis will stop at nothing to help her win against a crooked competitor even if it means sacrificing his future.
